Description

An elegant oil painting on Isorel panel, signed by Claudine Daveze in the lower right corner, depicting a remarkable hunting still life consisting of a suspended hare, a duck, and a pigeon, accompanied by vegetables from the garden, garlic, tomatoes, and kitchen utensils, set in a rustic interior dominated by a stone fireplace. True to the tradition of French hunting still lifes, the artist has composed a warm scene in which the richness of the materials, the autumnal tones, and the subtle play of light highlight the game and everyday objects. The piece exudes an authentic and decorative atmosphere, ideal for a country home, a hunting lodge, or a home with character. The work is presented in a beautiful carved and gilded wooden frame, which perfectly highlights its classical character. Artist: Claudine
