Description

A charming oil-on-canvas painting by Beny, depicting a peaceful countryside landscape in the early morning. The composition shows a small pond or stretch of water bordered by a wooded edge, where a hunter can be seen walking quietly among the trees. The first rays of sunlight illuminate the sky while a light mist dissipates in the background, lending the scene a calm and poetic atmosphere. The brushwork is delicate, with beautiful rendering of light effects, reflections on the water, and tree trunks. The work is presented in its elegant antique frame made of wood and gilded stucco with Art Nouveau decoration. Period: early 20th century. Technique: oil on canvas. Signature: Beny, lower right. Dimensions: Frame: 56 × 47 cm Canvas (stretcher): 41 × 33 cm Condition: Good

overall condition. A small, discreet flaw on the canvas, barely visible, as well as a few areas where the gilding on the frame is missing, visible in the photographs. Nevertheless, the piece as a whole has a very beautiful decorative presence. Worldwide shipping
