Description

A beautiful Art Deco "Woman with Doves" set in opalescent glass by Marius Sabino. In the purest Art Deco style, this beautiful statue depicts a kneeling nude woman cradling a dove, while two others appear to be resting on her. Beautiful opalescence and a very tender theme. The statue is set in a metal frame resting on a marble pedestal....All the charm of that era...In perfect condition, a lovely size of 18.5 cm and weighing nearly 1.9 kilos, with the signature "Sabino France" cast into the glass, circa 1925. A superb Art Deco piece.
