Description

A beautiful polychrome engraving titled "RUGBY" depicting a lively match scene: the players, wearing red-and-white striped jerseys and facing off against a team in white, are captured in the heat of the action during a pass, watched by a large crowd seated in the stands and lining the sidelines. The composition, rich in detail (referee, house in the background, covered stands), reflects the enthusiasm for rugby in the late 19th and early 20th centuries.
