

White Marble And Bronze Fireplace Mantelpiece - Clock And Pair Of Vases

2 500 EUR

Period : 19th century

Condition : Très bon état

Material : Marble

Description

An elegant three-piece mantelpiece set, consisting of a central clock and a pair of matching vases, crafted from white marble and gilded bronze. This classic-style set captivates with the elegance of its lines, the quality of its finely chiseled bronze ornamentation, and the nobility of its materials. An ideal decorative piece to adorn a fireplace or console table with distinction. Composition: Clock and pair of vases Materials: White marble and gilded bronze Dimensions: Clock: 25 cm wide × 48 cm high Vases: 29 cm high each Style: Classical, 19th century Condition: Very good overall condition. An elegant mantelpiece set combining the charm of marble with the luster of bronze, perfect for lovers of antique timepieces and prestigious decor.
