Description

A magnificent and highly original Louis XVI-style three-panel picture frame. This is a very rare model featuring a structured design, with three round frames joined by garlands of foliage and flowers. A rear foot allows it to be placed on a piece of furniture, and a ring allows it to be hung. Inside, there are images of 18th-century ladies, but you can easily replace them with photos of your loved ones. Dated to the late 19th century, circa 1895-1900. Shipping: 14 euros within France, 25 euros within the EU, and 80 euros to the rest of the world.
