1 900 EUR

Period : 20th century

Condition : Bon état

Material : Cardboard

Length : 76 cm chacun

Width : 34 cm chacun

Description

A set of nine graphite drawings enhanced with gouache, created at the time by an artist for the owners of a château in the Dordogne, who were the ancestors of the current owners of this collection. This work is unsigned, but it's clear that the artist knew how to draw! A Symbolist work from the very end of the 19th century or the early 20th century.
