

Pair Of Chinese Vases

6 000 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Description

An elegant pair of wooden vases, characterized by a baluster shape with a flared base and domed lids topped with a knob shaped like a small dome. The surface is entirely hand-decorated with Oriental-inspired genre scenes, featuring numerous figures in traditional attire set against a typical Oriental landscape. 18th century.
