

Japanese-style Bowl With Bronze Base By Maison Alphonse Giroux

1 950 EUR

Signature : Alphonse Giroux

Period : 19th century

Condition : Parfait état

Material : Bronze

Description

Japanese earthenware bowl, late 19th century, with polychrome decoration and gold highlights depicting figures, landscapes, and phoenixes on a red background. Presented on an elegant chiseled bronze mount depicting three cranes, attributed to the Alphonse Giroux workshop (Paris). A fine example of late 19th-century Japonism. Perfect condition
