

18th-century Leather Cutlery Case

650 EUR

Period : 18th century

Condition : Très bon état

Material : Leather

Width : 17

Height : 28

Depth : 13

Description

A charming cutlery case with a wooden frame entirely covered in leather. It retains its original interior, lined in light blue suede, and features compartments for cutlery. The Louis XVI-style bronze handle features a sailing ship, confirming its intended use for travel. Original key included. In good overall condition.
