Description

18th-century Louis XVI-style walnut coffee table
An elegant 18th-century coffee table made of solid walnut. It rests on four tapered, fluted legs connected to a finely carved fluted band. The front features a central drawer, complete with its original lock plate. The tabletop features a beautiful antique patina, with signs of age that attest to its authenticity. The simple and harmonious lines are characteristic of late 18th-century Louis XVI furniture. This table will fit perfectly as a desk, a living room table, or a side table in either a classic or contemporary interior. Dimensions: Height: 75 cm Width: 93 cm Depth: 70 cm Period: 18th century.
