Description

A beautiful decorative Limoges porcelain dish with a floral design entirely hand-painted. The colors are soft and luminous, and the rim is embellished with a fine gold line. This magnificent design, characterized by great delicacy and romantic tones, bears the signature of the decorator A. Malinvaud in the lower right corner. The design was applied to a shaped piece from the "Porcelaine Limousine" manufactory (formerly the Redon company), Barny, and bears the chrome-green stamp from 1928 on its base. A second dish by the same artist, featuring the same theme and serving as a matching piece, is for sale in our gallery.
