Description

Galerie Georgette Decoration presents a dining table from Italy, crafted by the Florence-based Chelini company. This unique table features a large oval glass top measuring 190 cm long by 110 cm wide and 2 cm thick. The tabletop rests on a gilded and whitewashed wooden base shaped like a sheaf of wheat. Beautiful cabinetmaking work. This table dates from the 1980s and would complement both classic and contemporary interiors. It is in good condition and very practical thanks to its central leg. Come see it at our store in Toucy, 89130.
