Silver Censer, France, Ca. 1853, By Joseph Favier

1 520 EUR

Period : 19th century

Condition : Bon état

Height : 34 cm

Description

A repoussé and chased silver censer, accompanied by its thick brass burner (new and perfectly crafted to match the shape). The circular base is accented, along the rim, by a frieze of lanceolate leaves. The bowl, with a domed shape and pronounced relief, is adorned with gadroons in its lower section and a decoration of acanthus leaves and garlands of ribboned flowers in its upper section. The lid consists of a circular band decorated with floral motifs and three curved, geometric pilasters supporting an openwork dome engraved with acanthus leaves and lanceolate leaves. The handle is topped with a flame-shaped knob. The silver-plated metal chains are adjustable in length as needed. This censer was crafted by Joseph Favier, a Toulouse-based silversmith who, like all the Favier brothers,
