

Large 19th-century Boxwood Cup-and-ball Set, Turned From A Single Piece Of Wood

160 EUR

Period : 19th century

Condition : Bon état

Material : Solid wood

Diameter : 9.5 cm

Height : 26.5 cm

Description

If you love and appreciate folk art, you're sure to find this wonderful cup-and-ball game to your liking. It's a large, turned boxwood model dating from the 19th century, and as you can see, its patina is truly superb. The ball has a small crack due to its age and size, but this in no way affects its use. Shipping available in France and internationally; contact me for details
