

Set Of 2 Large Saint Louis "excellence" Crystal Glasses; Height: 25 Cm

300 EUR

Signature : Saint Louis

Period : 20th century

Condition : Bon état

Material : Crystal

Height : 25 cm

Description

Set of two Saint-Louis "Excellence" model glasses, 25 cm tall. One of the two glasses has very small chips on the diamond-shaped points between the stem and the rim. I tried to take a photo of them, but the chips are very small, so it was difficult to capture them. More photos or information available upon request.
