Description

A magnificent Polyphon Model 41G music box, entirely original, equipped with the highly sought-after set of bells, offering a particularly rich, brilliant, and harmonious sound. This music box plays Polyphon Type 71G discs with a diameter of approximately 25 cm. It comes with 10 original steel discs, including the famous Christmas carol "Silent Night". The combination of the Polyphon's powerful, crystalline sound with the accompaniment of the chimes makes this instrument an exceptional collector's item as well as a superb decorative piece. Thanks to its remarkable musical quality and the reliability of its mechanism, this model is particularly prized by collectors of mechanical music. Features Original Polyphon Model 41G For Polyphon Type 71G discs (approx. 25
