

19th-century Tableware Set, Manille Sarreguemines Earthenware

580 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Description

Part of a Sarreguemines earthenware dinnerware set, marked "Manille Sarreguemines." Very chic gray-green tones. Nothing is chipped except for the two serving dishes, which are damaged. I did not include them in the price. Some pieces are slightly yellowed, as is often the case with antique earthenware. But nothing serious.

Everything is perfectly presentable. 52 pieces
