

Bronze Plaque, Python, Signed By René Thenot, 1931

180 EUR

Period : 20th century

Condition : Très bon état

Material : Bronze

Length : 7,5cm

Width : 5cm

Description

Rectangular bronze plaque with a patina, depicting a python coiled among foliage. A work by René Thénôt, a French engraver and medalist active in the Art Deco style, known for his realistic animal plaques. Smooth reverse; edge marked "BRONZE" with hallmark. Very good overall condition, beautiful patina, slight signs of wear on the reverse.
