Description

This elegant vintage riding saddle from the 1950s, crafted from leather, stands out for its magnificent hand-carved embellishments. Combining functionality with traditional craftsmanship, this imposing saddle has a strong sculptural and decorative presence. The leather has been meticulously crafted, with ornamental details that highlight the artisanal skill of its construction. Over the decades, the leather has developed an attractive natural patina, giving the saddle warmth, character, and an authentic vintage look. Originally designed as functional equestrian equipment, this saddle is now also a remarkable decorative piece. Its generous proportions and the rich texture of the leather make it particularly well-suited for a country home, a ranch, a hunting lodge, an
