Description

Late 19th-Century Copper Amphora - A Historic and Decorative Piece,.Discover this unique hammered copper amphora, originating from northern Italy and dating from the late 19th century, during the Historicist period. This antique copper piece is distinguished by its slightly convex or concave base, allowing it to tilt gently and rest elegantly on a stand or pedestal.Originally designed to heat water over a fire or hearth, this historic amphora is now a decorative piece that combines antique charm with rich history. Ideal for holding an arrangement of dried flowers or for standing alone on a sideboard or mantelpiece, this 19th-century copper amphora brings timeless elegance and a unique character to any interior.
