Description

A magnificent kilim from Bergama / Balıkesir in northwestern Turkey. The main feature of this kilim is its exclusive use of two colors: deep blue and carmine red. Some patterns are accented with a white cotton border. The motif winding across the central field, which appears to be biting its own tail, is that of a dragon. The colors are rich and saturated, creating a beautiful sense of depth across the entire surface. Circa 1950 Perfect condition 275 x 164 cm Laurent Beauty of Kilims
