

Antique Chinese-style Earthenware Planter With A Floral Design

220 EUR

Period : 19th century

Condition : Bon état

Material : Earthenware

Description

A 19th-century planters made of glazed earthenware, decorated with branches and flowers. The design was directly inspired by Chinese earthenware and the fashion for Japonism and chinoiserie in Europe during the second half of the 19th century. The planters rests on three heads.
