Description

Here is a superb early 20th-century Chinese lacquer screen. It is beautifully crafted and quite heavy. It bears a signature and features naturalistic decoration. Please note that there are some chips and areas where the lacquer is missing (as shown in the photos), as well as scratches from use and minor marks on the legs. Overall, the piece remains in presentable condition, though not perfect. We do not ship this type of item via mail due to its bulkiness, but we work with shipping carriers; please contact us for a quote. Our photos allow you to appreciate the quality of the items. Regarding the condition, please examine the photos closely. Feel free to zoom in. The photos are an integral part of the description. Dimensions: Height: 158 cm Maximum width: 164 cm Thickness: 2.2
