Description

This cameo has a setting that is likely made of silver. For those with a keen eye, please note a chip on the cheek and another at the bottom near the hairline, as well as some minor scratches from wear. However, this cameo remains in good overall condition. The cameo is a piece of jewelry whose origins date back to Ancient Greece and Rome. A cameo is a true miniature work of art, steeped in history, that bears witness to time-honored craftsmanship and expertise. Our photos allow you to appreciate the quality of the item. For details on its condition, please examine the photos closely. Feel free to zoom in. The photos are an integral part of the description.
