

## Large Diamond Branch Brooch In 18 Karat Gold And Silver

3 200 EUR

Period : 19th century

Condition : Bon état

Material : Gold

### Description

Large diamond branch brooch in 18 karat gold and silver. Antique Napoleon III period brooch depicting a delicate naturalistic branch. The motif features several chiseled leaves and small round flower buds, fully paved with 62 foil-backed rose-cut diamonds. Following traditional 19th-century techniques, the diamonds are set in silver to enhance their whiteness, while the rest of the piece is crafted in yellow gold. Antique brooch, circa 1850-1860, France. Owl and swan hallmarks (later additions) Length: 9.5 cm - Width: 4 cm Estimated total diamond weight: 1.80 ct Condition: light scratches from wear Weight: 22.67 g
