Two-tone Cut Bohemian Crystal Vase With A Silver Base, 20th Century

300 EUR

Period : 20th century

Condition : Très bon état

Material : Crystal

Description

An elegant vase crafted from cut Bohemian crystal, this piece stands out for its richly detailed two-tone crystal body and its refined silver base. It is a fine example of Central Europe's renowned glassmaking tradition.Crafted from solid crystal using a two-tone technique, the vase reveals layers of contrasting colors, creating a striking interplay of transparency, brilliance, and depth. The meticulously faceted surface beautifully captures and reflects light, highlighting the precision of the cut.The crystal body rests on an elegant silver base, offering visual contrast and a sophisticated finish. The combination of finely cut Bohemian crystal and precious metal gives this piece a luxurious character, ideal for both classic and contemporary interiors.Standing 30 cm tall, this vase has an impressive decorative
