

Pair Of Spoons For Mustard Pots Or Salt Shakers, 18th-century Solid Silver, Dating From The Early 19

150 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Description

A rare pair of solid silver mustard spoon or salt spoon sets. A simple, shell-shaped design that is still very much in the 18th-century style. Our pieces are from the Empire and Restoration periods and bear the lictor's fasces hallmark (1798-1809) They are free of any monograms Beautiful collector's pieces, a rare opportunity to complete a pair of late 18th- or early 19th-century mustard or salt shakers that may have lost their spoons. In excellent condition. Length: 10.8 cm Weight: 10 g
