

Gothic Walnut Chest

1 200 EUR

Period : 16th century

Condition : En l'etat

Material : Walnut

Length : 108cm

Height : 51cm

Depth : 48cm

Description

A small chest partly from the Gothic period; the front panel features an arcature decoration, and the sides are adorned with parchment folds. The construction of the chest's body--including the front, sides, and back--is authentic and well-assembled with large dovetail joints. The shelves and base were restored in the 19th century.
