

Openwork Wooden Obelisk. 19th-century Work

120 EUR

Period : 19th century

Condition : Très bon état

Material : Solid wood

Length : 9 cm

Width : 9 cm

Height : 46 cm

Description

A charming masterpiece: an obelisk made of very fine-grained wood (light mahogany, or perhaps holly, though it's difficult to determine), finely openwork and carefully crafted. All parts are finely polished; this is a 19th-century piece in excellent original condition.
