

Trompe-l'oeil Depicting A Strand Of Oats And A Ribbon On Wood, 20th Century.

250 EUR

Period : 20th century

Condition : Bon état

Material : Painted wood

Width : 35 cms

Height : 51 cms

Description

A playful trompe-l'oeil depicting an oat stalk held by a ribbon, along which a few ants are scurrying. Very natural cast shadows, including those of the ants. The painting is mounted on natural wood with a prominent knot on the left. Interior faux frame painted dark brown. A few scratches on the background; likely the original solid wood frame. France, circa 1980-90.
