Description

MAISON CHARLES Silver-plated metal lamp, known as the "Palm Tree" model. The shaft is shaped like a Medici vase and is topped with palm leaves. Square base. Signed on the base. Circa 1970. This lamp is in very good condition. It may have been "re-silvered" more recently, this gives it a rather brushed, slightly matt finish. The palm fronds are in very good condition, with some normal signs of wear. The lampshade is custom-made from pleated fabric in pale gray tones. The lamp can be sold without the lampshade, which can be custom-made in the color of your choice upon request for EUR280.
