

18th-century Lacquered Chest Of Drawers

3 500 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Description

Elegant three-drawer chest, made of lacquered wood in shades of white, ochre, and brown, Tuscany, 18th century. The front features three spacious drawers--two large lower ones and one smaller upper one--and is embellished with a geometric pattern that also appears on the sides. It has truncated pyramid-shaped legs.
