Description

This oil on panel is a composition in the style of Bernard Buffet, featuring a mug and a bottle. We can make out a signature: Lione S. It has a very distinctive style, with nuanced backgrounds--something quite modern. A date of "88" is visible, which would be surprising for a work that is more reminiscent of the 1960s. The frame is made of fabric with a wooden molding. Please note a chip in the mug, as well as areas where the paint has peeled or is missing. Sold uncleaned and unrestored. To assess the condition, please examine the photos closely. Feel free to zoom in. The photos are an integral part of the description.
