950 EUR

Period : 20th century

Condition : En l'etat

Material : Painted wood

Description

This vintage foosball table is a 1970s café-style model with a Formica finish. It resembles models manufactured by French brands such as Stella or René Pierre, but bears no distinctive markings.

This type of table is characterized by cast-aluminum players and wooden legs. It is equipped with wooden scoreboards and a coin slot, typical of bistros from that era. Some wear and minor material loss in places; overall in good condition.
