

## Pair Of Mahogany Entryway Chairs, Neoclassical Style, 19th-century England

600 EUR

Period : 19th century

Condition : Très bon état

Material : Mahogany

Width : 42 cm

Height : 90 cm; 43 cm

Depth : 35 cm

### Description

A pair of mahogany entryway chairs; the backrest, which is elongated and octagonal in shape, features a central panel supported by a band with carved volutes on both sides. On the back of the seat is a chalk inscription with a name and inventory number (likely a reference to a collection or a move), attesting to the object's history. Provenance: Mister Wolfe
