Description

This 1950s wooden filing cabinet features a solid, linear structure typical of period design. Featuring numerous drawers, it offers ample storage capacity, ideal for organizing documents and various objects. The original finish, which shows signs of wear consistent with its age, can be customized to suit your needs, making it a versatile piece for a variety of furnishing contexts. Its overall condition is fair, with still-functional mechanisms and well-preserved metal handles. Product Condition: The item is in decent condition, showing some signs of wear. We try to present the item's actual condition as accurately as possible with the photos. If any details are unclear from the photos, the description will apply.
