Description

Elegant set of eight "Lake Louise" table forks from the prestigious Northumbria silverware manufacturer, crafted from 925 sterling silver. Featuring a refined naturalistic design on the handle, they represent a perfect balance of elegance, quality, and the tradition of silverware. Their harmonious lines and meticulous craftsmanship make them ideal both for enhancing a prestigious table setting and for enriching a collection of high-quality silverware. 8 silver forks are available, sold individually. The price listed is for a single fork.
