

Silver-plated Metal Piston-style Sauce Spoon, Late 19th Century.

220 EUR

Period : 19th century

Condition : Très bon état

Material : Silver metal

Description

Rare silver-plated metal piston-style sauce spoon, late 19th century. Attractive fluted design with a pointed bowl. French craftsmanship; two hallmarks that are difficult to identify. The piston allows you to separate the fat from the lean meat. Dimensions: approximately 22 cm. In beautiful condition, freshly polished. A practical item that's becoming increasingly hard to find!!!
