

## Mirrored Candlestick, Gilded Wood, 19th Century.

370 EUR

Period : 19th century

Condition : Bon état

Material : Painted wood

Width : 39

Height : 56

Depth : 18

### Description

A wall sconce consisting of a single arm for a candle and a decorative mirror. The mirror is framed by a seashell-shaped frame topped with a large seashell. Based on a symmetrical arrangement of ornaments, it features a rollwerk border at the top, adorned with a small flower head. The mirror reflects the light from the lit candle, diffusing it throughout the room. 19th century. Gilded wood. Dimensions: 56 cm x 39 cm x 18 cm. Condition: good, slight signs of wear.
