

Louis XIV-style Walnut Trouser Cabinet

3 200 EUR

Period : 17th century

Condition : Très bon état

Material : Walnut

Width : 158

Height : 238

Depth : 58

Description

A magnificent late 17th-century trouser cabinet. It features two molded doors with large frames adorned with Louis XIV motifs; the lower section has a row of three drawers... The shelves have been restored... This piece is in very good overall condition; the sides are made of solid light oak with flat-banded panels. The entire piece is doweled and can be completely disassembled; delivery throughout France is available....
