Description

Stunning large Bukhara rug of Afghan origin, entirely hand-knotted. Ideal for decorating a living room or dining room. The field is adorned with large guls, traditional geometric motifs (octagonal medallions) typical of Turkmen craftsmanship. The rug stands out for its warm, deep colors, dominated by a vibrant carmine red. The pure wool pile offers a remarkable natural sheen when caught in the light. A beautifully crafted piece, perfect for a classic, contemporary, or boho-chic interior. Dimensions: 255 x 350 cm (large living room size). Patterns: Traditional guls (repeating octagonal medallions). Colors: Warm tones, predominantly red with luminous highlights. Contact me for sales terms and conditions.
