Description

A pastel drawing depicting a seascape with boats in the harbor at low tide. This is most certainly a Breton scene, with houses featuring slate roofs, and in the distance, the sails of tuna boats can be seen. This is a scene rarely depicted in seascapes. There is a signature in the lower right corner--"Dupuytren"--and I believe I can make out the year 1921. Gilded and lacquered wooden frame from the mid-20th century. Shipped between two wooden panels via a carrier; 80 euros within France, 150 euros within the EU, and 300 euros to the rest of the world.
