3 250 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Length : 20mm

Width : 13mm

Description

This ring, set in 18-karat white gold, captivates with its asymmetrical design featuring six circular motifs pavé-set with brilliant-cut diamonds totaling approximately 1.55 carats. Each motif is set using a "cluster" setting technique, creating the illusion of larger diamonds. Metal: 18-karat white gold Weight: 4.4 grams Size: 50.5 (Can be resized by your jeweler) Gemstones: 54 brilliant-cut diamonds - approx. 1.55 carats Motif dimensions: 20 x 13 mm Condition: excellent
