### Description

A carved and lacquered wooden mirror from Italy, dating from the mid-19th century. It features a masterfully crafted frame with leaf and floral carvings decorating the base and column-like uprights. The upper arch is embellished with gilt volutes, leaves, and flowers, giving it a sumptuous and richly detailed appearance. The lacquer finish has been completely restored, preserving the piece's original visual integrity. Product condition: Due to its age and wear, this item requires restoration and refinishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the description shall prevail.
