Description

An antique 18-karat Gold Photo Locket with glass. The chain is not included. Very easy to wear and much loved, this type of Antique Pendant is perfect for keeping a photo of a loved one close to your heart. The locket is in 18ct Gold. The glass is faceted on one side; it has a few scratches, but these are not much visible once the photo is inserted. I've placed some temporary photos inside to make it easier to visualize. It opens via a screw mechanism located at the bail. Dimensions Length: 3.2 cm (including the bail) Width: 2.4 cm Weight: 3.87 g Hallmark: Charançon; it is somewhat difficult to read, but testing confirms that it is 18-karat gold. Comes with a Guarantee Invoice and in a new box. Posts free in France with tracking, insurance and signature.
