

## Ruby And Diamond Clover Necklace

2 500 EUR

Period : 20th century

Condition : Très bon état

Material : Gold

### Description

White gold necklace consisting of a fine file-finished forçat chain with a spring clasp. An intermediate ring also allows the necklace to be shortened. The chain features, on the front, a four-leaf clover motif set with four pear-shaped rubies in prongs and, at the center, a modern brilliant-cut diamond. The edges of the clover's leaves are also set with small modern brilliant-cut diamonds. Main material: white gold, 750 parts per thousand, 18 karats, eagle-head hallmark. Total weight of rubies: approximately 0.96 carats. Total weight of the main diamond: approximately 0.09 carats. Total weight of other diamonds: approximately 0.23 carats. Pendant height: approximately 14 mm, width: approximately 13.9 mm, thickness: approximately 3.2 mm, chain width:
