Description

A beautiful painting by the artist Abraham Hulk. It is a British Holland-style painting depicting boats at sea near the beach. It is in good overall condition and is signed in the lower right corner. It is set in a carved 19th-century wooden frame, which shows minor wear (see photo), but nothing too significant. The frame features a nailed-on plaque marked "Hulk." Note that there is writing in English on the back: "Winsor & Newton" was one of the leading English manufacturers of canvases, panels, and painting supplies in the 19th century. Numerous British and European artists used their supports. The overall dimensions are 33 cm by 25 cm. The painting itself measures 23.5 cm by 17 cm.
