Description

Large and beautiful period transom window from 1880, made of wrought iron, in very good condition. Dimensions: max. height 155 cm, max. width 81 cm. This is the upper section of a large double wrought-iron door, such as are still seen today in the upscale neighborhoods of Paris, on the Grands Boulevards Haussmann, and on the Boulevard de la Croisette in Cannes. Price: EUR 950. Careful shipping available worldwide--call +33632315837
