

A Six-light Crystal Chandelier With Teardrop-shaped Pendants, Dating From The Mid-19th Century.

750 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Diameter : 55

Height : 80

Description

Elegant six-light crystal teardrop chandelier, dating from the mid-19th century. The iron frame features an original patina that enhances its historic character, while the faceted crystal pendants diffuse the light with great refinement. The richly decorated structure retains all the typical elements of the period's style, making this chandelier a highly prized antique piece, ideal for classic settings or for adding a sophisticated touch to contemporary interiors.
